Please follow all 6 steps to qualify for a rebate:

1. Your Refrigerator or Freezer must be between 10 to 30 cubic feet, using the inside measurements.
2. The Refrigerator or Freezer must be in working order.
3. You must fill out this form with the make and model of your refrigerator or freezer and the approximate age.
4. Once you submit this form, an appointment will be set up with Pascoag Utility District to verify that the refrigerator or freezer is in working order. Once this information is verified you can proceed to step 5.
5. You must schedule the pickup of the refrigerator or freezer with Waste Management; their phone number is 1-800-972-4545. The cost of removal is \$18.
6. Once we confirm with Waste Management that your appliance has been picked up, we will process an incentive of \$50 to your electric account. If you turn in your receipt for the \$18 recycling charge the District will increase the incentive to \$68 to cover this fee.

**For Pascoag Utility District's use only**
